# DAILY BUZZ!

*Geraldton District Hospital Volunteer Program*

## Volunteer Bulletin Board

Our volunteers continue to **RISE!** Our volunteer bulletin board is now decorated colourfully and ready for the public, staff members, and our volunteers to view! If you happen to have the time, stop by the volunteer bulletin board located within the finance wing to view our fiscal calendar year achievement for total hours earned, and to familiarize yourself with the names of the many volunteer members who have helped us to achieve the number of hours earned in 2016!

## Volunteer ID Badges

**I'm here for my shift. Am I wearing my volunteer ID badge?** Upon your arrival take a moment to check to see if you are wearing your Geraldton District Hospital volunteer ID badge. The newly designed identification badges have been designed and implemented to help our patients, residents, residents family members, and our onsite staff distinguish who our volunteers are. If you have yet to receive your volunteer ID badge, please visit the Volunteer Coordinators office Monday-Friday, 8:00am to 4:00pm.

## Help Our Garden Grow!

**RECRUIT TODAY!** Helping hands are always needed! The Geraldton District Hospital Volunteer Program is always looking for new volunteers to join our team. If you happen to know someone who would be interested in lending a hand, or know someone who loves working alongside people, direct them our way! Those interested are welcome to visit the Geraldton District Hospital website—Volunteer Program webpage for more information.

**THANK YOU!!!!**

Our volunteers continue to **RISE!** It is with pride and excitement that I announce the fiscal calendar year achievement for total hours earned! **CONGRATULATIONS** Geraldton District Hospital Volunteers, your total hours earned in 2016 (April 1st, 2016 to March 31st, 2017) has been calculated at **6617.92** hours!!!! On behalf of the Geraldton District Hospital we would like to congratulate and thank each and every member of the volunteer program for their time, support, commitment and caring heart. One of the greatest gifts one can give is their time. Without your helping hand, we would fall to pieces! Thank you for helping us grow.
