Chief Financial Officer **Part Time – Casual, Remote and On-Site**

Accountable to the Chief Executive Officer, the **Chief Financial Officer (CFO)** will assist with the strategic direction of the Hospital, while overseeing all financial accounting and reporting, procedures and internal controls of the Finance Department. As this strategic financial leader, you'll establish strong working relationships with employees, partner organizations, the ministries of Health and Long-Term Care, the Municipality of Greenstone and the surrounding region.

This mandate calls for a strong capital background, a thorough understanding of contract management and administration, cost controls, and project schedules and management, as well as a broad suite of strategic financial expertise. You have had proven success in managing project timelines, are comfortable with reporting to boards, and providing regular reports to the Ministry or a comparable government entity. You are able to proactively identify key issues, assess strategic options and implement innovative solutions.

A highly effective, engaging and approachable leader, you'll delegate responsibly, resolve conflict diplomatically, and motivate your team to achieve peak performance. A strategic thinker and an active listener, you'll encourage and model flexibility and commitment to transparency and accountability. You'll consult internally and externally while facilitating and coordinating long-range financial planning processes through the senior management team and the Board of Directors.

The successful candidate will hold a CPA designation (an MBA may also be considered) and have no fewer than 5 to 7 years of management experience, preferably in a hospital or the healthcare field in general, with knowledge of government acts, regulations and policies as they apply to both operational and capital management. The ability to communicate in both official languages and/or Ojibway would be an asset.

The working hours are a flexible combination of remote and on-site work. Housing is available when required to be on-site.

Geraldton District Hospital is committed to workplace diversity and provides accommodations to applicants with disabilities throughout the hiring process.
