

## COVID-19 UPDATE

April 21th , 2020

**One (1) confirmed case of COVID-19 in the Municipality of Greenstone .**

More information can be found at <https://www.tbdhu.com/coronavirus>

### FACILITY RESTRICTIONS

If you have a fever, cough, or difficulty breathing, do not enter the facility. Call **Telehealth at 1-866-797-0000** or the **Thunder Bay District Health Unit at 1-888-294-6630**.

**A primary Triage Assessment Centre**, operated by the Geraldton District Hospital is now open at the Northern Horizon Health Center adjacent to the hospital.

All patients requiring medical assistance are asked to please report to the Centre where you will be screened and depending on your screening results will be registered and Triage prior to being assessed by the Physician on site. If further work up is required by the physician you may be sent to the Emergency Department. The purpose of the off-site Triage is to decompress the Emergency Room of the GDH and prevent unnecessary risk to the patients.

If you fail the screening, you may be asked to put on a mask and return to your vehicle to await assessment by a Physician. The Physician will determine based on pre-set criteria whether or not you require testing for COVID-19.

The clinic will operate daily Monday to Friday from 08:00am to 04:00pm. During off hours, please report to the Emergency Department to be assessed.

### NAKINA MEDICAL CLINIC

In order to protect our clients and staff and as recommended by the Ministry of Health, all primary care appointments will be scheduled and conducted by phone. Your provider may determine they need to see you in person and schedule a follow up appointment.

**Please note clinic hours are from Monday to Friday 8:30am-4:30pm**

### VISITORS

**NO VISITORS** will be permitted in the facility except for the following circumstances:

- Visitors of patients who are within 3 days of end of life
- Parents or guardians of an ill child under the age of 16

### OUTPATIENT SERVICES

Outpatient services will be limited as follows:

- **Telemedicine** – operating normally, patients will be escorted through the facility Emergency to the OTN room
- **Imaging / Lab** – operating normally
- **Nutrition** – telephone consultations only
- **Rehabilitation** – no non-essential outpatient services

## **COVID-19 UPDATE**
