

## **Geraldton District Hospital Message for Executive Compensation Public Consultations**

- At Geraldton District Hospital, we value feedback from our community. That's why we are posting Geraldton District Hospital's draft executive compensation framework for public consultation.
- This public comment period is an opportunity for all interested parties to provide input into Geraldton District Hospital's draft framework.
- The consultation period will last a total of 30 days and all comments are due by February 26, 2018.
- Geraldton District Hospital continues to support and encourage a fair and balanced approach to all public sector compensation.
- Geraldton District Hospital will continue to work with government understanding that this is a time of accountability, transparency and consistency in compensation for all executives throughout the Broader Public Sector.
- Please contact James McPherson via e-mail at [jmcpherson@geradltondh.com](mailto:jmcpherson@geradltondh.com), with your comments and/or feedback on the draft framework.
