Medical Laboratory Technologist Full Time Permanent

TUITION REIMBURSEMENT, HOUSING ASSISTANCE AND RELOCATION ASSISTANCE AVAILABLE

Geraldton District Hospital is seeking an enthusiastic, organized and self-motivated individual to join our Laboratory team.

Duties Include:

- Operate and maintain analytical instruments and other laboratory equipment safely and effectively.
- Perform routine and special procedures in the following disciplines: Hematology, Coagulation, Immunohematology, Biochemistry, Microbiology and Electrocardiography.
- Adapt to changes including workload, emergency situations, instrument breakdown, shortage of personnel and planned changes.
- Participate in quality control, cost-effective initiatives and EQA (External Quality Assessment) programs.
- Follow all laboratory and hospital policies and procedures.
- Provide advice on choice of examinations, use of services when appropriate.
- Be aware of potentially hazardous materials, equipment and situations, and possess the ability to deal with them accordingly.
- Perform clerical duties as required in the laboratory (i.e. maintaining and filing patient records, faxing results, tabulating month-end statistics, and submitting reports to appropriate areas).
- Provide stand-by/on-call coverage after hours.
- Orientate new staff members and facilitate the placement of laboratory and co-op students.
- Assist with monitoring inventory of stock materials.
- In absence of Sr. Tech, the on call tech will assume the Quality Manager's duties.
- Participate in departmental staff meetings and in-service education sessions, as required.

Qualifications:

- Degree or diploma in Medical Laboratory Technology from an accredited university or community college.
- Current Registration with the College of Medical Laboratory Technologists of Ontario.
- Registered Laboratory Technologist (MLT) with the Canadian Society of Laboratory Technologists.
- Minimum of one (1) year experience as a general duty technologist in a hospital setting is preferred.
- Bilingualism in both official languages is an asset.
- Knowledge and understanding of the Indigenous cultures/languages is an asset.
- Knowledge or familiarity with Patient Information software systems is an asset.

Geraldton District Hospital is committed to workplace diversity and provides accommodations to applicants with disabilities throughout the hiring process.
