## **Nurse Manager - Occupational Health & Infection Control Permanent Full Time**

Geraldton District Hospital is seeking an enthusiastic team leader to lead the GDH Infection Control and Occupational Health department. The successful candidate will be responsible for ensuring compliance with occupational health and safety legislation and in the administration of the hospital's Illness, Injury and Abilities/Attendance Policies by managing complex WSIB, short term and long-term disability and work accommodation issues to facilitate early and safe return to work. The Occupational Health and Infection Control Nurse Manager works closely with patient care, support services and facilitates the development, implementation and evaluation of IPAC strategies.

### **Qualifications:**

- A Bachelor of Science degree in Nursing or equivalent
- Current registration and in good standing with the College of Nurses of Ontario
- Minimum 2-3 years recent, related nursing experience in Occupational Health and Safety or Infection Control in a hospital or Long-Term Care environment
- Certified in Infection Control (CIC®) preferred
- Demonstrated excellent interpersonal, communication and management skills
- Advanced working skills of Microsoft Office
- Active member of the Registered Nurses' Association of Ontario is an asset
- Ability to communicate in both official languages is an asset
- Commitment to regular sustained attendance is mandatory

If you interested in this challenging opportunity, please submit your application and resume in confidence, by email, to [hr@geraldtondh.com](mailto:hr@geraldtondh.com) by **Sunday February 5, 2023**.

Geraldton District Hospital is committed to workplace diversity and provides accommodations to applicants with disabilities throughout the hiring process.
